## THE COVER FLOWER

### C. japonica 'Guilio Nuccio Fimbriated'

This month's cover flower is the sport of 'Guilio Nuccio' that Mr. and Mrs. Sam Zerkowsky of Tammia Nursery in Slidell, Louisiana announced last year. As Mrs. (Ferol) Zerkowsky stated on the jacket of the 1964 A. C. S. Year Book, they will assure themselves that it will bloom true before releasing it to the public. We understand that they feel this assurance from last season's blooms, and will release it when they have enough plants ready, hopefully in 1964.
