## THE COVER FLOWER

The cover flower is named 'ANTICIPATION.' It is a Non-reticulata hybrid cross of Saluenensis × Japonica ('Leviathan'). The bloom is a large, deep rose red, peony form. The plant has an upright growth and it blooms in mid-season. This cultivar was developed by Les Jury and released in 1962. The bloom won the Dr. John Taylor Award in 1972. Photo by Vonnie Cave, color separations courtesy of the New Zealand Camellia Society.
