Yohei Shiro.....8.50*

A medium to large, full double. Creamy white, often blush pink. Very beautiful.

New Seedlings Developed By Our Nursery

KATHERINE NUCCIO (N No. 104)

This seedling first bloomed in 1942 and has proven itself well worthy of propagation because of its long season of bloom, (starting as early as December and blooming through March) its lasting qualities as a cut flower, and its color. A 3 to 3½ inch double formal, rose form, consisting of 60-65 large petals. Brilliant rose-red, with edges of petals cupped inward. Foliage, dark green, medium, slightly twisted. Compact growth.

12-18" Gr \$10.00

PRIMAVERA (N No. 105)

A 3½-4 inch full double formal, with a high center, consisting of 55-60 petals, pure white. Some blossoms show a small petaloid center when fully opened. This seedling first bloomed in 1943, starting its season in February and continuing through April. It is one of the few late blooming varieties that produces good blossoms in the late season. A profuse bloomer with dark green, medium size foliage.

24-30" Gr. 20.00	30-36" Gr. 25.00

WARRIOR (N No. 107)

This seedling was selected from hundreds that bloomed in 1943. A 4-4½ inch semi-double to full peony form, brilliant, dark red with golden stamens. Approximately 25 large, round, wavy guard petals with golden stamens and small petals intermixed in center of flower. Foliage, light green, medium size. An upright grower. Blooms early to mid-season.
