NUCCIO'S NURSERIES

Camellias for 1953

Altadena, Calif.

AERIAL VIEW OF NUCCIO'S NURSERIES

WELCOME VISITORS!

Most of our customers come to us through the United States mail, but we enjoy having visitors stop in to see us, and we cordially invite you to do so whenever you can. We are open daily **except Wednesday**, and business hours are from 8:00 to 5:00. During the period from June 1 through September 15 we are also closed on Sundays.

TERMS OF SALE

Please send your remittance with your order. California customers add 3% sales tax to the total. Prices in this catalog are subject to change without notice, and are all F.O.B. Altadena, California. Please specify the way you wish to have us make shipment (parcel post, express, motor freight, railroad freight or air freight). When no instructions are given we will ship via Railway Express. We make no crating charge on orders over \$20.00, but if **your order amounts to less than \$20.00, please add \$1.00 for the first plant and 25¢ for each additional plant ordered** in order to cover crating costs.

GUARANTEE

We guarantee all plants to be true to name, to be well grown, and properly packed for shipment. Shortages, damages or losses should be reported to the transportation agency immediately on arrival, and if you will notify us, we will give you all the assistance we can. At no time will we be responsible for more than the purchase price.

PLEASE READ BEFORE ORDERING

All of our Camellias are container grown (1-gal., 3-gal., 5-gal. and 6-gal.) and will be shipped in their containers. Handled this way Camellias can be shipped and planted **every month of the year**.

We propagate over 650 varieties of Camellias, many of which are too rare to be in the catalog list. Information desired on varieties not listed will be supplied on request.

We also have large, specimen plants of many varieties, and we will quote prices for these on request.

Notice to residents of the states of Alabama, Florida, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee and Virginia: All shipments of Camellias into these states will be bare-rooted, re-balled in peat moss, burlapped and wrapped in waterproof paper. We are experienced in shipping bare-rooted Camellias and have found the above method so successful that we are giving the same guarantee we give our container grown Camellias. We have successfully shipped bare-rooted Camellias all months of the year, but for best results we advise shipment from mid-September through May.

SAVE MONEY

We offer generous discounts for quantity purchases. Please refer to the table of discounts on page 13.

How to Grow Fine Camellias

Where and How to Plant

Even though Camellias can and are being successfully grown in full sun, the best exposure is filtered shade (trees, lath, etc.), morning, or afternoon sun. If planting a Camellia in full sun, it should be done in the winter months in order to allow the plant to become acclimated before summer heat.

Dig a hole at least twice as deep and twice as big around as the size of the container or ball of the plant. Add $\frac{1}{2}$ peat moss or leaf mold to soil taken from hole and mix thoroughly. If soil is heavy (clay or adobe) use at least 50% peat moss or leaf mold. Fill the hole with sufficient amount of mixed soil so that after firming, the top of the plant ball will set at least one inch above the surrounding area. NEVER PLANT TOO DEEP. After setting plant in hole, fill with the mixed soil and pack firmly. Make a basin around the plant and give it a thorough watering to settle soil. Place about one inch of peat moss in basin for mulch.

Watering

Do not allow plants to become dry, and more important, never keep soil soggy wet. Either condition can cause buds to drop or loss of plant. Always bear in mind that a Camellia likes to be kept reasonably moist, but also requires good drainage.

Fertilizing

Camellias should be fertilized during the summer growing months, starting as early as March and not later than August. Three feedings in this period are sufficient, i.e., April, June and August. Space feedings at least 30 days apart. Any of the better known acid fertilizers may be used, preferably cottonseed meal. For amount follow directions on package. NEVER OVER-FERTILIZE.

NUCCIO'S Supreme Quality CAMELLIAS

VARIETY	SIZES			
	12"-18"	18"-24"	24"-30"	30"-36"
ADAH PEARL —Pink. Petals heavily veined. Large, semi-double.	\$2.50	\$3.50
ADOLPHE AUDUSSON —Heavy petaled semi-double, deep red. Very large.	3.00	4.00	\$7.50*	\$10.00*
ADOLPHE AUDUSSON VAR. (Special)—Heavily mottled white form of Adolphe Audusson.	400*	7.50*	10.00*
ALBA PLENA —Still one of the best of the pure white formal doubles showing no stamens.	2.50	3.50	6.00	7.50
ANEMONIFLORA ALBA —First release. This outstanding new camellia was imported from Australia by the noted grower, William E. Wylam, and has been closely observed and proven satisfactory by our nursery for several seasons. The large flowers usually have 8 to 12 heavy textured, slightly wavy, white petals surrounding a large center of irregular creamy petaloids hiding low stamens, with an occasional irregular semi-double bloom. Vigorous, upright growth.	10.00*
ANITA —Light pink, striped carmine. Medium to large, semi-double.	2.00	3.00	5.00	6.50
ANN MILLER —New. Large, semi-double to double, pale pink.	5.00*	6.50*
APPLE BLOSSOM (Salunensis)—Single pink and white. Small.	2.00	3.00
ARAJISHI (Aloha)—Salmon-red to deep crimson red. Very early bloomer. Large peony type.	2.00	3.00	5.00	6.50
ARRABELLA —Orange-red. Resembles Reticulata in form. Large, semi-double.	5.00*	7.50*	10.00*
ASPACIA —Variegated form of Emperor of Russia. Crimson spotted with white.	2.00	3.00	5.00
BEAU HARP —Very large, irregular semi-double, brilliant rose-red.	7.50*
BELLA ROMANA —Light pink, striped with dark crimson. Medium-large, double.	2.00	3.00	5.00	6.50
BERENICE BODDY (U.S. Pat. No. 605)—Light pink with deeper pink under petals, shading to a blush center. Medium-large, semi-double.	3.50*	4.50*	6.50*	8.50*
BESSIE MORSE BELLINGRATH —White with faint blush of pink. Large, semi-double.	5.00*	7.50*	10.00*
BETTY THEISEN —A beautiful large, loose, semi-double, pale pink, shading to deeper pink in center.	5.00*	6.50*
BLACK DRAGON —Very dark red. Large, semi-double to peony form.	4.00*	5.00*
BIG BEAUTY —White, blotched and spotted with pink. Large, semi-double to loose peony form.	4.00*	5.00*
BLEICHROEDER —Soft pink, striped with crimson. Medium, rose form, double, occasionally showing stamens.	2.00	3.00	5.00	6.50
BLOOD OF CHINA —Deep salmon-red. Large, semi-double to loose peony form. Late bloomer.	2.00	3.00	5.00	6.50

BLUSH HIBISCUS —White with blush-pink center. Very large single to semi-double.	4.00*	5.00*	7.50*	10.00*
CALIFORNIA —Rose-red, golden stamens, with unusually large petals. Very large, semi-double.	2.50	3.50	6.00
CAMPBELL ASHLEY —Dark red. Large, semi-double to loose peony form.	4.00*	5.00*	7.50*
CAPT. MARTIN'S FAVORITE —Pink, marbled with white. Medium size, full-double imbricated.	2.50	3.50
CATHERINE McCOWAN —New. Light pink. Sport of Eleanor McCowan.	5.00*
CHANDLERI ELEGANS PINK (Francine)—Rose-pink. Very large anemone form.	2.50	3.50	6.00	7.50
CHANDLERI ELEGANS VAR. —Rose-pink, mottled with white. Very large anemone form.	2.50	3.50	6.00	7.50
CHO-CHO-SAN —New. Pale pink, golden stamens. Large, semi-double.	5.00*
CHO-NO-HANAGATA —New. Pale pink. Large, semi-double to peony form.	4.00*	5.00*	7.50*	10.00*
CHOYO-NO-NISHIKI —Large, semi-double variegated. Vividly striped rose-red on pink background. Early bloomer.	5.00*
CLARA GREEN —A very lovely, large anemone formed camellia. Brilliant rose-pink.	5.00*
CLEOPATRA —Pink, marbled with white. Large, full peony form.	2.50	3.50
C. M. HOVEY (Col. Firey)—Brilliant, deep red. Large, full double, imbricated.	2.50	3.50	6.00	7.50
C. M. WILSON —New. Pale pink sport of Chandleri Elegans. Outstanding.	4.00*	5.00*	7.50*	10.00*
CONFLAGRATION —Fire-red. Large, semi-double.	4.00*	5.00*	7.50*
COLLETTII (Collettii Maculata)—Brilliant dark red, blotched with white. Medium, peony form.	4.00*	5.00*	7.50*

VARIETY	SIZES			
	12"-18"	18"-24"	24"-30"	30"-36"
COVINA —Rose-red. Medium, semi-double. Excellent landscape variety.	1.50	2.50	4.50	6.00
CREPE ROSETTE —Pink, veined with red with lighter margined petals. Large, semi-double.	4.00*	5.00*	7.50*
CRUSADER —Deep red. Very large semi-peony form to rose form double.	5.00*	6.50*
DAIKAGURA RED —Bright rose-pink. Early. Very large peony form.	2.00	3.00	5.00	6.50
DAIKAGURA VAR. —Bright rose-pink, splotched with white. Early. Very large peony form.	2.00	3.00	5.00	6.50
DAINTY —Blush-white, striped with pink. Heavily fringed petals. Semi-double. Sport of Tricolor Sieboldi.	4.00*
DAITERIN —Light rose-pink. Very large single with mass of blush-white petaloids in center.	5.00*
DEBUTANTE —Soft pink. Large, full peony form. Early.	2.50	3.50	6.00	7.50
DONCKELARI (Southern)—Red, sometimes marbled white. Very large, semi-double with golden stamens. Slow, bushy growth.	2.50	3.50
DONCKELARI —Same as Donckelari (Southern) with the exception that our parent plant blooms heavily marbled white.	5.00*	6.50*	10.00*
DOROTHY MAC —This Chandeli seedling is identical to its parent but pure white in color and not as large a blossom.	2.50	3.50
DR. SHEPHERD (Te Deum)—Dark red. Very large, from semi-double to full peony to formal double.	4.00*	5.00*	7.50*	10.00*
DR. TINSLEY —New. Large, flesh pink, semi-double to peony. Outstanding.	7.50*
DUCHESS DE CASES —Light pink, mottled white. Medium to large, full peony form.	2.00	3.00	5.00	6.50

KISHU TSUKASA (Capt. John Sutter)—Deep pink, blotched with white. Large, formal double.	2.50	3.50	6.00
KUMASAKA —Rose-pink. Large, full double. Upright and compact growth. Profuse bloomer.	2.00	3.00	5.00	6.50
LADY CHARLOTTE —Clear light pink with lighter pink veins. Large, semi-double. Very compact growth.	2.50	3.50
LADY CLARE —Rose-pink. Very large, semi-double. Prominent golden stamens.	2.00	3.00	5.00	6.50
LADY LUCILLE —Very large, full double to peony. Creamy white. Outstanding.	5.00*	6.50*

NEWEST CAMELLIAS

Nuccio's Nurseries maintain a steady program of breeding, with hundreds of new seedlings coming to bloom before our critical eyes each year. From this sustained search for new and better camellias have come several fine varieties. Those now available for public distribution, and listed in their alphabetical order in the catalog are: KATHERINE NUCCIO, MASQUERADE, PRIMAVERA and WARRIOR.

PROF. C. S. SARGENT

MASTERPIECE—This new seedling, developed by Mr. Harvey Short, has proven to be a real "Masterpiece". Its 4½ to 5 inch pure white, rose form blossoms are deep petaled, cup shaped and 3 inches deep. Foliage unusually large with open, vigorous growth, makes this camellia a very handsome shrub as well as a beautiful flower. Blooming season early—mid-season.

12.50*

MASQUERADE (N #404)—This new seedling first bloomed in our nurseries in 1948. Last season it won blue ribbons wherever entered in seedling competition. (Frank Williams Award Winner 1952.) A very large, semi-double to loose anemone form. White with an occasional fuchsia pink or rose pink marking. Foliage, long, dark green with habit of growth spreading yet very compact.

10.00*

MATHOTIANA (Julia Drayton)—Crimson red. Very large, full double imbricated showing stamens when fully opened.

2.50 3.50 6.00 7.50

MAX GOODLEY—New. Very large, pale pink, irregular semi-double. Vigorous, open, upright growth.

5.00* 6.50*

SASANQUA CAMELLIAS

In the past few years the Sasanqua has at last been gaining the added popularity it rightfully deserves. Its hardiness, early and profusion of bloom (September to January), small, dark evergreen foliage make it a valuable addition to our landscape. Sasanquas thrive in full sun or a partially shaded area and may be used as hedges, ground covers, vines or specimens. Care and culture of the Sasanqua is identical to that of the Japonica.
