THE COVER FLOWER

C. RETICULATA HYBRID 'KOHINOR'

This month's cover flower is one of the "Park Hill" seedlings that are mentioned in the article Camellias at "Park Hill" on page 6 of this issue of CAMELLIA REVIEW.

1972 CROP — CAMELLIA SEEDS

JAPONICA SEEDS

Mixed seeds, including a small percentage of seeds from seedling trees in the Huntington Botanical Gardens

\$3.75 per 100 (minimum order)

SASANQUA SEEDS

Sasanquas are excellent for grafting understock. They grow faster and have good roots. **\$1.50** per 100 (minimum order)

No Reticulata and Hybrid Seeds
